is distributed by:

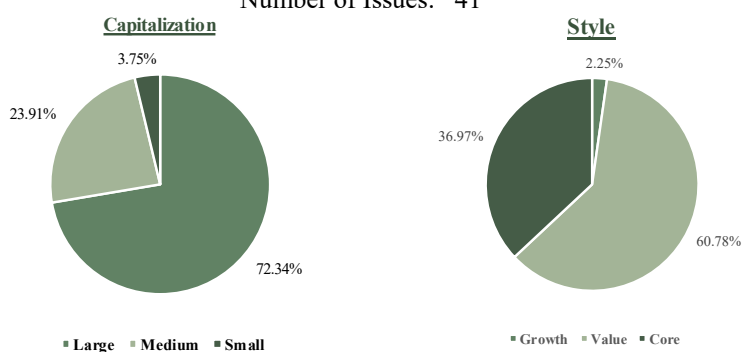

Arbor Court Capital LLC, Member FINRA/SIPC  
8000 Town Centre Drive, Suite 400  
Broadview Heights, OH 44147

## Investment Strategy

The Archer Dividend Growth Fund seeks to generate income and long-term growth of capital by investing in dividend-paying securities that the Advisor believes are undervalued and have the potential to provide increasing levels of income. The Advisor focuses on finding companies that it believes to have sound balance sheets and the ability to protect and increase their dividend payments over time. These types of companies are often large companies, however, opportunities in small- and medium-sized companies are considered as well.

## Portfolio Characteristics

Number of Issues: 41

## Sector Weights
